

Independent Community Club Alcohol Agreement

Events where alcoholic beverages are to be present must be considered by the ICC Board on a case-by-case basis. Sale of alcohol is prohibited. Sharing of alcohol among guests is allowed, with Board approval. Serving of alcohol is allowed only by a licensed OLCC server, with Board approval. The ICC reserves the right to refuse availability of alcohol and/or suspend availability of alcohol at any time if alcohol consumption exceeds responsible usage. The renter shall be responsible for any costs and liabilities associated with the availability and use of alcohol.

If alcohol will be present, sufficient food and non-alcoholic beverages shall be provided. Independent Community Club representatives reserve the right to end alcohol service and/or the event at any time if alcohol consumption exceeds responsible usage.

For events where the renter states that no alcohol will be present, the renter will ensure that no event participants will serve or consume alcohol on the premises of the Independent Community Center, nor on neighboring properties.

I agree to the conditions of this Alcohol Agreement policy.
